Rocky Mountain Institute of Healing Arts hires Rodney Davis, DC, AC, EC to teach in Energy Healing Program

Rocky Mountain Institute of Healing Arts is pleased to announce the addition of Rodney Davis, DC to their teaching staff. Dr. Davis will be teaching Eastern Energetic Approaches in the Heartworks Approach Energy Healing Program.

Dr. Davis graduated from Logan College of Chiropractic with his focus on holistic medicine. He continued his education with the post graduate program to incorporate Acupuncture and Traditional Chinese Medicine into his field of care. He blends both the western and eastern arts is very important in his private practice to achieve the maximum potential and goals of each individual. Dr. Davis works passionately to help those overcome the negative effects of the world around them while enhancing the positive experiences within each individual's own body, mind and spirit. His continuing desire to educate and never stop learning drives him to excel.

He can be reached at the school at (970) 385-5142 or at Cornerstone Wellness at (970) 247-5519.
